

Announcement from School of Engineering King Mongkut's Institute of Technology
Ladkrabang

Schedule for the Comprehensive Examination Plan B Students for the Semester 1/2024 (On-
Site Examination)

As per the regulations outlined in King Mongkut's Institute of Technology Ladkrabang regarding graduate education 2022, item 34, which stipulates the requirement for a comprehensive examination, a Comprehensive Knowledge Examination (Comprehensive Examination) has been scheduled for Master's degree students enrolled in Plan B for the 1st semester of academic year 2024.

1. Completing compulsory exams and registration for all curriculum-based courses, except independent research subjects.
2. The comprehensive examination comprises a written and/or oral examination.
3. In the event of failure in the initial comprehensive knowledge examination, students can request a retest by registering for the comprehensive exam and submitting the applicable examination fee, as per the institute's tuition fee announcement, issue 11, 2018.

Notwithstanding the above guidelines, students enrolled in the following programs are required to submit their request for the comprehensive knowledge examination via an online Google Form, adhering to the specified schedule:

1. Master of Engineering Program in Civil, Environmental, and Construction Management
2. Master of Engineering Program in Department of Construction Engineering Management and Environment
3. Master of Engineering Program in Department of Environmental Engineering and Energy for Sustainability
4. Master of Engineering Program in Department of Defense Engineering
5. Master of Engineering Program in Department of Food Engineering and Intelligent Agriculture
